

## **Library and Archives**

to serve as a repository for items of genealogical and historical significance to the German ethnic element of Eastern Europe (largely Volhynia and Poland)  
to encourage the preservation and collection of records and items relevant to Germans from Eastern Europe to search out and collect pertinent and relevant books and articles in order to assist in the understanding of the history and contribute to the genealogical pursuit of Germans from Eastern Europe  
to catalogue and make available to our membership all of the books and items of interest for on site research and via a short term lending policy\* to do "look-ups" for society members from references in the library including foreign language references to review new and significant references for the benefit of the general membership to assess new references for relevance and recommend for purchase if deemed significant

\* 2 week loan; user pays for mail out and mail back costs (postage)

SGGEE LIBRARY (SEPT. 2003)

(\*recent additions-with in the last year)
